R & S DESIGNS, INC. HELPS KEEP NEEDLECRAFT ART ALIVE FOR CHILDREN

As part of Emporia, Kansas' 4-H Fiber Fun Day, R & S Designs of Bloomington, Ill. donated 40 Easy-Count Guidelines™ for local children to use and enjoy at the day's events. The day is held to help keep the needlecraft art alive for young children, and the use of the Easy-Count Guideline™ made their projects easier to do and helped new cross stitchers to learn faster. Included here are pictures from the day and a thank you card sent to R & S Designs from participants.
