### **CUSTOMER TESTIMONIAL**

Hi Sue,

This is a much long delayed reply and thank you.

I just recently finished a big cross stitch project (18"x14" using 64 different color threads) and I wouldn't have been able to do it had it not been for the Easy-Count Guideline™ that I bought from you. I am so grateful for the Easy-Count Guideline™ as it helped me so much in finding myself in the stitching of the project as well helping me make sure that the stitches are correct. I will send you a picture of my finished work once I pick it up from the framers.

People couldn't believe that I was able to do it as I am such a novice cross stitcher. Prior to this big project, the only cross stitch I ever did was on a 6"x 4" Aida and that 20 years ago!

Because of the big help of the Easy-Count Guideline™, I decided to go to the DMC creative store in SM Megamall in Pasig City and I told them all about it. I brought along my new

23"x18" Aida prepared with the red easy-count guideline grid ready for my next big project. They were impressed - both the clerks and the customers at the store. Before I left, I gifted the clerk of the DMC store (her name is Rose) with the extra spool that you asked me to share with a friend.

I was not able to talk with the owner of the DMC store but Rose took a lot of pictures of my Aida with the red cross-crossing grid using the Easy-Count Guideline™ and she promised to show it to the owner of the store. That was 2 weeks ago, by any chance, has the owner contacted you yet? I hope she has, as I know the Easy-Count Guideline™ will be a big, big help to the cross stitchers here in the Philippines.

There is another big cross stitch store in Makati City - Dreams Store owned by Mrs. Lily de Leon. I have not been there yet but Rose told me to go there and share with them the Easy-Count Guideline™. She may already be using Easy-Count Guideline™ for all I know! I heard that Ms. Lily is quite an avid cross stitcher herself despite her mature age. If I happen to be in the Makati City area, I will go there so I can share with them and show them my new cross stitch project using Easy-Count Guideline™.

Thank you so much again Sue! God bless you and your whole family.

Sincerely,  
Carole Heredia
